

FAN SITE KIT LOGO STYLE GUIDE

The purpose of this guide is to ensure fan sites use a consistent and unified image for the brand identity of the *Star Wars*™: The Old Republic™ logo.

Before proceeding, note the following:

1. It is imperative that the artwork supplied is not altered in any way.
 - a. Do not change any of the colors in the logo.
 - b. Do not remove or adjust the glow behind the logo.
 - c. Do not rearrange the logo.
2. It is critical to ensure that any adjustment in size is made proportionally, so that the overall impression of the logo is not distorted.
3. Do not use some portions of the logo while leaving other parts out.
4. All uses of the logo are subject to the Fan Site Kit Agreement.

If you have any questions, feel free to contact the *Star Wars*: The Old Republic Community Team at fansites@swtor.com.
